After reopening its borders to international travel in late summer 2021, Canada removed all COVID-19 border regulations on October 1, 2022.

The strong arrivals recovery recorded in 2023 was led by Mexico, France, the US, and the UK.

Canada welcomed 18.3 million overnight visitors in 2023, an increase of 43% over 2022, to reach 83% of annual 2019 arrivals.
