COVID-19 Impact and Recovery Report: Travel-Related Measures

Updated: November 26, 2020

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

1. **Travel-Related Measures**: A summary of the travel and tourism-related measures in place in each province and territory. A map outlining the travel restrictions and self-isolation requirements is available on Destination Canada’s website: [https://caen-keepexploring.canada.travel/canada-nice#canadamap](https://caen-keepexploring.canada.travel/canada-nice#canadamap)

2. **Methodological Notes**: An explanation of the methodologies in the different sections and relevant sources.

### 1. TRAVEL-RELATED MEASURES

In addition to a federal government requirement mandating 14-day self-isolation for those who are eligible to enter Canada, individual provinces and territories have implemented measures on travel between provinces and territories. The below table outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders. Tracking these measures is challenging given the fluid nature of COVID-19. This information was collected by provincial and territorial tourism marketing authorities and relevant tourism departments and current as of November 26, 2020.

#### Travel Measures

</tr>
</thead>
<tbody>
<tr>
<td>British Columbia (BC)</td>
<td>No self-isolation for domestic travellers entering BC</td>
<td>All non-resident travel to Haida Gwaii is restricted. Otherwise, no travel restrictions for domestic travellers entering BC; however, people travelling to BC from another province or territory within Canada should only come for essential reasons. As of November 19, British Columbians are urged to avoid non-essential travel; this includes all travel into and out of BC and between regions of the province.</td>
</tr>
<tr>
<td>Alberta (AB)</td>
<td>No self-isolation for domestic travellers entering AB. Starting November 2, eligible international travellers returning to Alberta at the Calgary International Airport or Coutts land border crossing can participate in a pilot program that will allow them to quarantine for less time (approximately 48 hours) provided they test negative for COVID-19 and if they commit to following specific public health and testing measures.</td>
<td>No travel restrictions for domestic travellers entering AB</td>
</tr>
<tr>
<td>Saskatchewan (SK)</td>
<td>No self-isolation for domestic travellers entering SK</td>
<td>No travel restrictions for domestic travellers entering SK</td>
</tr>
<tr>
<td>Manitoba (MB)</td>
<td>Residents of Western Canada and Northwestern Ontario do not need to self-isolate for 14 days when entering MB; 14-day self-isolation for all other domestic travellers entering MB, except for essential workers.</td>
<td>No travel restrictions for domestic travellers entering MB, but self-isolation required (except for residents of Western Canada and Northwestern Ontario). Travel to and from northern Manitoba is restricted and non-essential travel is discouraged.</td>
</tr>
<tr>
<td>Ontario (ON)</td>
<td>No self-isolation for domestic travellers entering ON</td>
<td>No travel restrictions for domestic travellers entering ON. Travel between regions within ON, especially from higher transmission to lower transmission areas, should only be for essential purposes.</td>
</tr>
<tr>
<td>Quebec (QC)</td>
<td>No self-isolation for domestic travellers entering QC</td>
<td>No travel restrictions for domestic travellers entering QC. Residents of a region or territory within QC that is designated as a “Red” zone must avoid travelling to “Green”, “Yellow” or “Orange” zones and outside of Quebec, inter-regional travel is also not recommended for regions in the “Orange” zone, and access is not allowed to Nunavik and James Bay</td>
</tr>
<tr>
<td>New Brunswick (NB)</td>
<td>14-day self-isolation for all domestic travellers entering NB, except for exempt essential service providers and QC residents entering for essential services. Under specific circumstances, NB residents who work outside of the Atlantic bubble may be eligible to forego self-isolation requirements or be subject to less stringent self-isolation requirements.</td>
<td>As of November 27, travel bubble with other Atlantic provinces is suspended. Atlantic residents (NS, PE, NL) are permitted to enter NB but must pre-register for entry; prohibition on all non-essential travel into NB for all other domestic travellers, except for workers and other specific exemptions such as Canadian residents owning property in NB or visiting family members, and QC residents entering for essential services or going to the Magdalen Islands</td>
</tr>
<tr>
<td>Nova Scotia (NS)</td>
<td>Residents of other Atlantic provinces (NB, PE, NL) do not need to self-isolate for 14 days when entering NS; 14-day self-isolation for all other domestic travellers entering NS, except for exempt workers from specific sectors.</td>
<td>Travel bubble with other Atlantic provinces whereby no self-isolation required for Atlantic Canadian residents; no travel restrictions for all other domestic travellers entering NS, but self-isolation required. As of November 26, Nova Scotians are urged to avoid non-essential travel in and out of the Halifax region and to other Atlantic provinces</td>

2. METHODOLOGICAL NOTES

I. Travel-Related Measures: In conjunction with provincial and territorial partners, Destination Canada has sourced information directly from provincial and territorial government websites; additional insights are provided by provincial and territorial partners where relevant or where information from official sources is incomplete. The intention for this section is to provide the latest available information as of the date of the report. Given the evolving nature of these measures and phased opening strategies, readers are encouraged to seek information from official government sources for the most current information.
