COVID-19 Response – France reverted from the Domestic phase to the COVID-19 Response phase in November. Current national government restrictions include a nightly curfew starting at 6pm.

COVID-19 Response – Germany reverted from the Domestic phase to the COVID-19 Response phase in November. The national lockdown has been extended and is currently in place.

Domestic – Government restrictions on non-essential and recreational activities have been implemented in several states, including Mexico City. Mexicans are advised to stay at home and avoid non-essential travel.

Domestic – A state of emergency is currently in place for 11 prefectures, including Greater Tokyo. The government domestic travel incentive program is currently suspended.

Domestic – After reverting to the COVID-19 Response phase amid a second wave of increased cases and localized restrictions in July, Australia returned to the Domestic phase in October. Restrictions are being implemented at a localized level.

Domestic – Travel within US state is being considered, planned, and booked. Movement within local areas is possible in most US states under recommended safety measures.

Domestic – Domestic travel within China is being considered, planned, and booked. Notably, Chinese tour operators are mandated to pause selling tours for international destinations; however, some countries have opened to Chinese travellers unilaterally.
