This document provides a summary of the situation across all provinces and territories. For further details, please refer to the latest deep dive report for the domestic market updated on March 9, 2021.

** Types of restrictions: 
- **III Intra-Territorial**: Residents returning from outside of the territory for domestic leisure travel must self-isolate for 14 days. 
- **II Hyper Local**: No self-isolation requirements for residents returning from out-of-province for domestic leisure travel. 
- **IV Inter-Provincial**: No self-isolation requirements for residents returning from out-of-province for domestic leisure travel. 
- **V Tentative International**: Residents returning from outside of the territory for domestic leisure travel must self-isolate for 14 days.
- **VI Regularized International**: Residents returning from outside of the territory for domestic leisure travel must self-isolate for 14 days.

**Timeline of overall assessment for each province and territory**: 

**Overall Assessment**
- **I COVID-19 Response**: Residents returning from outside of the territory for domestic leisure travel must self-isolate for 14 days.
- **II Hyper Local**: No self-isolation requirements for residents returning from out-of-province for domestic leisure travel.
- **III Intra-Provincial**: Residents returning from outside of the province for domestic leisure travel must self-isolate for 14 days.
- **IV Inter-Provincial**: No self-isolation requirements for residents returning from out-of-province for domestic leisure travel.
- **V Tentative International**: Residents returning from outside of the territory for domestic leisure travel must self-isolate for 14 days.
- **VI Regularized International**: Residents returning from outside of the territory for domestic leisure travel must self-isolate for 14 days.

Please note: An increase in search and bookings does not imply that residents are non-compliant with any current health restrictions in place, rather that there is an increased interest in travel. Actual travel could take place in the near future or at a later date.
