COVID-19 Impact and Recovery Report: Travel-Related Measures
Updated: April 14, 2021

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

1. Travel-Related Measures: A summary of the travel and tourism-related measures in place in each province and territory. A map outlining the current travel restrictions and self-isolation requirements is available on Destination Canada’s website: https://caen-keepexploring.canada.travel/canada-nice#canadamap

2. Methodological Notes: An explanation of the methodologies in the different sections and relevant sources.

1. TRAVEL-RELATED MEASURES

In addition to a federal government requirement mandating testing procedures and 14-day self-isolation for those who are eligible to enter Canada1, individual provinces and territories have implemented measures on travel between provinces and territories. The below table outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders. Tracking these measures is challenging given the fluid nature of COVID-19. This information was collected by provincial and territorial tourism marketing authorities and relevant tourism departments and current as of April 14, 2021.

Most provinces and territories have implemented a framework to guide re-opening strategies catered to their individual circumstances. Since each province and territory is starting from a different baseline to implement the reopening of their local economy, the phases and stages are not congruent across jurisdictions. The table below outlines the current status of restrictions on tourism-related sectors as of April 14, 2021. Unless noted, persons must gather and business must operate with sufficient social distancing measures in place. Many destinations require non-medical masks to be worn and all visitors should plan on having masks ready if needed.

#### Hotels & Accommodation

Accommodations are open unless they have decided to close due to lack of demand/low occupancy/health concerns.

#### Restaurants & Dining

As of March 28, indoor dining is closed in restaurants, cafés, pubs and breweries. Outdoor dining with sufficient distancing measures is permitted; patrons must only dine with individuals from the same household or core bubble if they live alone. Patrons who remain on premises after being served must be seated.

Liquor sales in all bars, lounges, pubs and restaurants must stop at 10 pm and establishments must close by 11 pm (unless full meal service is available). Standalone banquet halls are closed until further notice.

#### Activities & Attractions

Most businesses and enterprises are permitted to operate (with adherence to WorkSafeBC protocols and a COVID-19 Safety Plan in place). Exceptions include casinos and nightclubs, which are closed until further notice.

#### Large Gatherings/Conferences

Outdoor gatherings are permitted to a maximum of 10 people (parks, beaches, backyards only; no restaurant patios).

Indoor social gatherings of any size are not permitted with anyone other than those within a core bubble (core bubble includes immediate family or people in the same dwelling; for some a core bubble may include a partner, relative, friend or co-parent who lives in a different household).

Business meetings (outside the workplace) and conferences are prohibited.

The phased approach to B.C.'s Restart Plan is on pause for the duration of provincial public health restrictions.

Vacation accommodations are limited to those who reside together, or if a person lives on their own, up to two other persons with whom the person regularly interacts.

### Alberta

Alberta is implementing "A Path Forward" roadmap based on hospitalization benchmarks. There are 4 Stages in total.

As of April 7, Alberta moved back to Phase 1.5.

#### British Columbia

As of April 9, in-person service is permitted indoors. Restaurants, pubs, bars, lounges and cafes can open for outdoor patio dining, takeout and delivery only.

Maximum of 6 people per table and establishments are required to capture contact information of patrons; individuals must be from same household or the 2 close contacts for people living alone; liquor service must stop at 10pm and in-person dining must close by 11pm.

#### Saskatchewan

Regina area: As of March 23, all indoor gatherings are prohibited; residents may not expand their household bubble; banquet halls and conference facilities must close.

Other areas: As of April 16, all businesses and enterprises are permitted to operate with adherence to the Re Open Saskatchewan Plan. Retail services must limit capacity to 50% and large retail locations must limit capacity to 25%. Capacity is restricted to 30 people at all arenas, live theatres, movie theatres and performing arts venues. Casinos are closed. Nightclubs must adhere to a maximum of 4 people per table; establishments are required to capture the contact information of patrons.

Most parks and outdoor spaces are open. It is recommended to check with the facility or tourism operator directly to confirm its status.
Manitoba 41, 42

All regions in Manitoba are in the red (critical) response level.

- Accommodations are open unless they have decided to close due to lack of demand/low occupancy/health concerns; conference rooms and recreational facilities are not permitted.

Ontario 43, 44, 45

As of April 8, Ontario is issuing a provincewide emergency order, requiring everyone to remain at home except for essential purposes.

- As of April 3, Ontario is imposing a provincewide emergency brake, intended to be kept in place for at least four weeks.

The COVID-19 Response Framework: Keeping Ontario open and safe is paused during the provincewide emergency brake and Stay-at-Home order.

Quebec 46, 47, 48, 49, 50

Quebec has a regional alert level system. There are 4 levels in total: Level 1 – Vigilance (green), Level 2 – Early Warning (yellow), Level 3 – Alert (orange), and Level 4 – Maximum Alert (red).

- For current region classifications, see Alert levels map.

As of April 14, special emergency measures are in place for Quebec City and the entire Chaudière-Appalaches and Outaouais regions, including a curfew of 8pm to 5am.

I. Travel-Related Measures: In conjunction with provincial and territorial partners, Destination Canada has sourced information directly from provincial and territorial government websites; additional insights are provided by provincial and territorial partners where relevant or where information from official sources is incomplete. The intention for this section is to provide the latest available information as of the date of the report. Given the evolving nature of these measures and phased opening strategies, readers are encouraged to seek information from official government sources for the most current information.
