# COVID-19 Impact and Recovery Report: Travel-Related Measures

Updated: April 28, 2021

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

1. **Travel-Related Measures**: A summary of the travel and tourism-related measures in place in each province and territory. A map outlining the current travel restrictions and self-isolation requirements is available on Destination Canada’s website: [https://caen-keepexploring.canada.travel/canada-nice#canadamap](https://caen-keepexploring.canada.travel/canada-nice#canadamap)

2. **Methodological Notes**: An explanation of the methodologies in the different sections and relevant sources.

## 1. TRAVEL-RELATED MEASURES

In addition to a federal government requirement mandating testing procedures and 14-day self-isolation for those who are eligible to enter Canada¹, individual provinces and territories have implemented measures on travel between provinces and territories. The below table outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders. Tracking these measures is challenging given the fluid nature of COVID-19. This information was collected by provincial and territorial tourism marketing authorities and relevant tourism departments and current as of April 28, 2021.

Most provinces and territories have implemented a framework to guide re-opening strategies catered to their individual circumstances. Since each province and territory is starting from a different baseline to implement the reopening of their local economy, the phases and stages are not congruent across jurisdictions. The table below outlines the current status of restrictions on tourism-related sectors as of April 28, 2021. Unless noted, persons must gather and business must operate with sufficient social distancing measures in place. Many destinations require non-medical masks to be worn and all visitors should plan on having masks ready if needed.

#### Current Phase/Stage

- **British Columbia**: The phased approach to BC’s Restart Plan is on pause for the duration of provincial-wide restrictions.
- **Alberta**: Alberta is implementing "A Path Forward" roadmap based on hospitalization benchmarks. There are 4 Steps in total.
- **Saskatchewan**: Saskatchewan is in Phase 4.2

#### Hotels & Accommodation

- **British Columbia**: As of April 23, accommodation providers will not accept reservations from BC residents outside of their defined region of residence. Accommodations are open unless they have decided to close due to lack of demand/low occupancy/health concerns.
- **Alberta**: As of April 7, a business must provide physical distancing measures to operate with adherence to WorkSafeBC protocols and a COVID-19 Safety Plan in place. Exceptions include casinos and nightclubs, which are closed until further notice. In person events and community-based gatherings are suspended; this includes seasonal activities such as indoor and outdoor events (with the exception of drive-in and drop-off events), musical or theatre performances, and movie viewings in cinemas.
- **Saskatchewan**: All indoor social gatherings - public or private - are prohibited; all out-of-town visitors cannot stay in other people’s homes regardless of where they are coming from; outdoor social gatherings can have up to 10 people.

#### Restaurants & Dining

- **British Columbia**: Liquor sales in all bars, lounges, pubs and restaurants must stop at 10pm and establishments must close by 11pm (unless full meal service is available). Standalone banquet halls are closed until further notice.
- **Alberta**: As of March 29, indoor dining is closed in restaurants, cafes, pubs and breweries. Outdoor dining with sufficient distancing measures is permitted; patrons must only dine with individuals from their household or core bubble if they live alone. Patrons who remain on premises after being served must be seated.
- **Saskatchewan**: As of April 9, in-person service is not permitted indoors. Restaurants, pubs, bars, lounges and cafes can deliver for outdoor patio dining, takeout and delivery only. Maximum of 6 people per table and establishments are required to capture contact information of patrons; individuals must be from the same household or the 2 close contacts for people living alone; liquor service must stop at 10pm and in-person dining must close by 11pm.

#### Activities & Attractions

- **British Columbia**: Most businesses and enterprises are permitted to operate with adherence to WorkSafeBC protocols and a COVID-19 Safety Plan in place. Exceptions include casinos and nightclubs, which are closed until further notice. In person events and community-based gatherings are suspended; this includes seasonal activities such as indoor and outdoor events (with the exception of drive-in and drop-off events), musical or theatre performances, and movie viewings in cinemas.
- **Alberta**: As of April 23, camping reservations will not be accepted from BC residents outside their defined region of residence. Out-of-province reservations open July 8, though preferential access to camping will be given to BC residents for the entire summer season.
- **Saskatchewan**: All non-essential indoor local tourism that had limits of 30 people must close.

#### Large Gatherings/Conferences

- **British Columbia**: Outdoors gatherings are permitted to a maximum of 10 people (parks, beaches, backyards only; no restaurant patios).
- **Alberta**: Indoor social gatherings of any size are not permitted with anyone other than those within a core bubble (core bubble includes immediate family or people in the same dwelling; for some a core bubble may include a partner, relative, friend or co-parent who live in a different household).
- **Saskatchewan**: Business meetings (outside the workplace) and conferences are prohibited.
