COVID-19 Impact and Recovery Report: Travel-Related Measures

Updated: May 26, 2021

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

1. Travel-Related Measures: A summary of the travel and tourism-related measures in place in each province and territory. A map outlining the current travel restrictions and self-isolation requirements is available on Destination Canada’s website: https://caen-keepexploring.canada.travel/canada-nice#canadamap

2. Methodological Notes: An explanation of the methodologies in the different sections and relevant sources.

1. TRAVEL-RELATED MEASURES

In addition to a federal government requirement mandating testing procedures and 14-day self-isolation for those who are eligible to enter Canada, individual provinces and territories have implemented measures on travel between provinces and territories. The below table outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders. Tracking these measures is challenging given the fluid nature of COVID-19. This information was collected by provincial and territorial tourism marketing authorities and relevant tourism departments and current as of May 26, 2021.

### Travel Measures

<tbody>
<tr>
<td>British Columbia 2, 3, 4</td>
<td>No self-isolation for domestic travellers entering British Columbia.</td>
<td>✗ These travel restrictions are in place until at least June 15: Non-essential travel is prohibited within the province and between three regions: Lower Mainland/Fraser Valley, Northern/Interior (including Bella Coola Valley, Central Coast and Hope) and Vancouver Island. Travel on BC Ferries is for essential reasons only. People travelling to British Columbia from another province or territory for essential travel are expected to follow the same travel and public health guidelines while in the province. Whistler Blackcomb ski resort is closed. All non-resident travel to Haida Gwaii is restricted.</td>
</tr>
<tr>

<tr>
<td>Manitoba 6</td>
<td>14-day self-isolation is required for all domestic travellers entering Manitoba, except for essential workers and specific exceptions.</td>
<td>✗ No travel restrictions for domestic travellers entering Manitoba, but 14-day self-isolation required. Travel to and from northern Manitoba is restricted and non-essential travel is discouraged.</td>
</tr>
<tr>
<td>Ontario 7, 8, 9</td>
<td>14-day self-isolation strongly advised for all travellers entering Ontario.</td>
<td>✗ Ontario is restricting travel from Manitoba and Quebec with the exception of purposes such as work and education, health-care services, transportation, and delivery of goods and services. Travel between regions within Ontario should only be for essential purposes. Based on community needs, some municipalities and local medical officers of health have exercised their authority to implement more restrictions or requirements; it is advised to check status before travelling.</td>
</tr>
<tr>
<td>Quebec 10, 11, 12, 13</td>
<td>Mandatory 14-day quarantine for Quebec residents returning from Ontario except for purposes such as work, education, delivery of essential services and obtaining necessary health-care services unavailable in Quebec.</td>
<td>✗ Quebec is restricting travel from Ontario with the exception of returning Quebec residents; purposes such as work, education or delivery of essential services; and those who need to transit through Quebec to another province.</td>
</tr>
</tbody>
</table>
New Brunswick
14
14-day self-isolation for all domestic travellers entering New Brunswick, except for specific exemptions.

Prohibition on all non-essential travel into New Brunswick for all domestic travellers, except for workers and other specific exemptions (e.g. medical reasons) and Quebec residents from Listuguj First Nation and Pointe-a-la-Croix who have pre-registered and been approved to enter for essential services.

Nova Scotia
15, 16
14-day self-isolation for all vaccinated domestic travellers entering Nova Scotia. Travellers who are unvaccinated and resident of the Atlantic Provinces are required to self-isolate for 14 days as of May 10.

As of May 10, prohibition on non-essential travel into Nova Scotia. Permanent residents of Nova Scotia will not be refused entry, but are strongly advised to not travel outside the province.

Prince Edward Island
17, 18, 19, 20
14-day self-isolation for all vaccinated domestic travellers entering Prince Edward Island, except for exempt essential workers and Prince Edward Island residents travelling for essential purposes (e.g. medical appointment) who return the same day.

Prohibition on all non-essential travel into Prince Edward Island; non-residents must apply for pre-travel approval, including a 14-day self-isolation plan; exception for Quebec residents going to the Magdalen Islands.

Newfoundland and Labrador
21
14-day self-isolation for all travellers entering Newfoundland and Labrador (some exceptions for essential workers).

Atlantic residents (New Brunswick, Nova Scotia, Prince Edward Island) are permitted to enter Newfoundland and Labrador but are required to self-isolate for 14 days; prohibition on travel to Newfoundland and Labrador for all other domestic travellers, except for residents and workers from key sectors and other specific exemptions as approved by the province’s Chief Medical Officer of Health. Canadians living outside of Atlantic Canada who own a home in Newfoundland and Labrador are allowed to enter but are still required to self-isolate for 14 days.

Yukon
22, 23, 24, 25, 26
Mandatory 14-day self-isolation for all non-vaccinated domestic travellers entering Yukon except residents of border areas and critical service workers from British Columbia, Northwest Territories, and Nunavut; non-vaccinated critical service workers entering Yukon from all other Canadian jurisdictions must self-isolate; self-isolation must occur in Whitehorse unless visiting a family member (in which case self-isolation may occur at their residence).

Entry permitted for Canadians following self-isolation requirements (fully vaccinated domestic travellers not required to isolate); enforcement at land borders and airport; mandatory travel routes for transiting through Yukon. Several First Nations governments and communities currently have travel advisories in place. Travellers are asked to limit travel to Yukon communities and travel respectfully. The government does not recommend non-essential travel to the territory.

Northwest Territories
7, 27, 28, 29
Mandatory 14-day self-isolation for all admitted travellers to the Northwest Territories, who must self-isolate in Yellowknife, Hay River, Inuvik, Fort Smith, Fort Simpson or Norman Wells. Designated isolation centres are located in Yellowknife, Hay River, Inuvik and Fort Smith. Fully vaccinated travellers can get tested for COVID-19 on the 8th day of self-isolation; if results are negative only self-monitoring is required for the remainder of the 14 days.

Travel restrictions for anyone travelling to the Northwest Territories; entry permitted for Northwest Territories residents or those coming to the Northwest Territories to live, work, study or support essential workers. Entry also permitted to out-of-territory visitors staying at a remote site with a Northwest Territories tourism operator with approved Remote Tourism Operators COVID-19 Operations Plan.

Exemptions to travel restrictions may be granted for critical or essential workers, exceptional circumstances; family members, travellers from Nunavut, those travelling for traditional harvest purposes or those transiting through the Northwest Territories to other provinces or territories.

Nunavut
30, 31
As of May 4, mandatory 14-day self-isolation for all travellers entering from the Northwest Territories.

Mandatory 14-day self-isolation for all travellers returning to their home communities from Iqaluit.

Mandatory 14-day self-isolation for all admitted travellers prior to boarding a plane to Nunavut, except for those travelling directly from Churchill, Manitoba; mandatory isolation must occur in government designated sites in Edmonton, Winnipeg, Ottawa or Yellowknife.

Travel to and from Iqaluit is restricted.

Travel bubble with Churchill, Manitoba, whereby no isolation required if travelling directly from Churchill; prohibition on all other travel into Nunavut, except residents and critical workers who require written permission from the territory’s Chief Public Health Officer to enter. Non-essential travel within Nunavut is not recommended.

COVID-19 Impact and Recovery Report: Travel Related Measures, Updated: May 26, 2021, Destination Canada
While some Parks Canada places remain open, others are fully or partially closed. Access to visitor facilities and services may be limited. Please consult the Parks Canada website for an updated list of specific Parks Canada locations with special instructions: [https://www.pc.gc.ca/en/voyage-travel/securite-safety/covid-19-info#locations](https://www.pc.gc.ca/en/voyage-travel/securite-safety/covid-19-info#locations)

Most provinces and territories have implemented a framework to guide re-opening strategies catered to their individual circumstances. Since each province and territory is starting from a different baseline to implement the reopening of their local economy, the phases and stages are not congruent across jurisdictions. The table below outlines the current status of restrictions on tourism-related sectors as of May 26, 2021. Unless noted, persons must gather and business must operate with sufficient social distancing measures in place. Many destinations require non-medical masks to be worn and all visitors should plan on having masks ready if needed.

**Current Phase/Stage** | **Hotels & Accommodation** | **Restaurants & Dining** | **Activities & Attractions** | **Large Gatherings/Conferences**
---|---|---|---|---
**Manitoba** | All regions in Manitoba are in the *red* response level. | Accommodations are open unless they have decided to close due to lack of demand or lack of occupancy/health concerns; conference rooms and recreational facilities are not permitted. | As of May 9, all restaurants and bars are closed to in-person service; only takeout, drive-thru and delivery are permitted. | As of May 22, private gatherings indoors or outdoors are prohibited. People from a single household may visit parks, playgrounds or other public spaces as long as they maintain a reasonable distance from others.

**Ontario** | The province-wide *Stay at Home* order requires everyone to remain at home except for essential purposes. Ontario has imposed a province-wide *emergency brake*. On May 20, Ontario released its *Roadmap to Reopen*, a three-step plan to safely reopen the province. | Hotels, motels, lodges, cabins, cottages, resorts and other shared rental accommodations can operate but indoor pools, fitness centres or other recreational facilities are closed. Short-term rentals are only to be provided to individuals who are in need of housing. Campsites at seasonal campgrounds must be made available only for trailers and recreational vehicles that are used by individuals who are in need of housing and permitted to be there by the terms of a full season contract. | Restaurants, bars and other food or drink establishments will be permitted to operate by take-out, drive-thru, and delivery only. Indoor and outdoor dining is prohibited. Nightclubs are only permitted to open if they operate as a food or drink establishment providing take-out, drive-thru and delivery only. | The majority of non-essential retail can only operate for curbside pickup and delivery, by appointment from 7am to 8pm or delivery from 6am to 9pm. Amusement parks, water parks, casinos, bingo halls and gaming establishments, concert venues, theatres and cinemas (including drive-in or drive-thru events), museums and cultural amenities, tour and guide services are all closed. Zoos and aquariums are permitted to operate only for the care of animals. As of May 22, the province reopened outdoor recreational amenities such as golf courses and driving ranges, with restrictions in place such physical distancing.

**Quebec** | Quebec has a *regional alert system* in place. There are 4 levels in total: Level 1 – Vigilance (green), Level 2 – Early Warning (yellow), Level 3 – Alert (orange), and Level 4 – Maximum Alert (red). For current region classifications, see [Alert levels map](https://www.quebec.ca/en/coronavirus-and-safety/coronavirus-in-quebec/quebecs-regional-alert-system). As of May 28, Quebec’s *stopping plan* is in effect, including a lifting of curfews in all regions. On May 31, most red regions (level 4) turn orange (level 3). | Accommodations are open unless they have decided to close due to lack of demand or lack of occupancy/health concerns. | Red regions: As of May 28, restaurant patios may open. All restaurants and bars are closed to indoor dining. Orange regions: Indoor and outdoor dining can open for restaurants but bars are still closed. Maximum of 2 adults from different households per table, who may be accompanied by their children under the age of 18. Establishments are required to capture contact information of patrons; only customers with proof of residence in the same region as the restaurant are admitted. As of June 11, outdoor dining can open at bars, pubs and casinos; maximum 2 adults from different households per table. | Red regions: All businesses are permitted to open (with restricted capacity). Auditoriums, theatres, casinos, amusement centres, saunas and spas are closed. Cinemas can open. Orange regions: All businesses are permitted to operate with restricted capacity. Auditoriums (maximum 250 people), cinemas and theatres can open; casinos, amusement centres, saunas and spas are closed. Outdoor activities are permitted but limited to groups of up to 8 people; indoor activities are limited to people unless from the same household. All private gatherings are prohibited; all activities organized in a public place are prohibited. As of May 28, outdoor gatherings will be permitted on private property to a maximum of 8 people. |

2. METHODOLOGICAL NOTES

I. Travel-Related Measures: In conjunction with provincial and territorial partners, Destination Canada has sourced information directly from provincial and territorial government websites; additional insights are provided by provincial and territorial partners where relevant or where information from official sources is incomplete. The intention for this section is to provide thelatest available information as of the date of the report. Given the evolving nature of these measures and phased opening strategies, readers are encouraged to seek information from official government sources for the most current information.
