COVID-19 Impact and Recovery Report: Travel-Related Measures
Updated: June 9, 2021

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

1. **Travel-Related Measures**: A summary of the travel and tourism-related measures in place in each province and territory. A map outlining the current travel restrictions and self-isolation requirements is available on Destination Canada’s website: [https://caen-keepeexploring.canada.travel/canada-nice#canadadmap](https://caen-keepeexploring.canada.travel/canada-nice#canadadmap)

2. **Methodological Notes**: An explanation of the methodologies in the different sections and relevant sources.

### 1. TRAVEL-RELATED MEASURES

In addition to a federal government requirement mandating testing procedures and 14-day self-isolation for those who are eligible to enter Canada¹, individual provinces and territories have implemented measures on travel between provinces and territories. The below table outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders. Tracking these measures is challenging given the fluid nature of COVID-19. This information was collected by provincial and territorial tourism marketing authorities and relevant tourism departments and current as of June 9, 2021.

#### Travel Measures

Most provinces and territories have implemented a framework to guide re-opening strategies catering to their individual circumstances. Since each province and territory is starting from a different baseline to implement the reopening of their local economy, the phases and stages are not congruent across jurisdictions. The table below outlines the current status of restrictions on tourism-related sectors as of June 9, 2021. Unless noted, persons must gather and business must operate with sufficient social distancing measures in place. Many destinations require non-medical masks to be worn and all visitors should plan on having masks ready if needed.

<td>BC’s Restart Plan, a 4-step plan, released on May 25. BC is currently in Step 1. The earliest date for Step 2 will be June 15.</td>
<td>Accommodation providers will not accept reservations from BC residents outside of their defined region of residence for travel up to June 15. Accommodations are open unless they have decided to close due to lack of demand/low occupancy/health concerns.</td>
<td>As of May 25, indoor and outdoor dining is open at all restaurants, cafes, pubs and breweries with sufficient distancing measures and a maximum of 6 patrons per table. Patrons must wear masks when not at a table; those who remain on premises after being served must be seated. Liquor sales in all bars, lounges, pubs and restaurants must stop at 10pm and they must close by 11pm (unless full meal service is available). Stand-alone banquet halls are closed until further notice.</td>
<td>Most businesses and enterprises are permitted to operate with adherence to WorkSafeBC protocols and a COVID-19 Safety Plan in place. Exceptions include casinos and nightclubs, which are closed until further notice. Outdoor organized gatherings such as concerts and live theatre performances of up to 50 people are allowed. Most parks, beaches and outdoor spaces are open. It is recommended to check with the facility or tourism operator directly to confirm its status. While provincial park campground reservations are open for two months in advance at the time of booking for BC residents, camping reservations will not be accepted from BC residents outside their defined region of residence. Out-of-province reservations open July 8, though preferential access to camping will be given to BC residents for the entire summer season.</td>

<td><strong>Alberta</strong></td>
<td>Alberta’s Open for Business Roadmap outlines how restrictions will ease over 3 stages based on protecting the health-care system and increasing vaccination rates province-wide. As of June 10, Alberta is in Stage 2 of the roadmap.</td>
<td>Accommodations are open unless they have decided to close due to lack of demand/low occupancy/health concerns.</td>
<td>As of June 10, up to 6 people can be seated per table both indoors and outdoors.</td>
<td>All indoor social gatherings public or private – are prohibited. All out-of-town visitors cannot stay in other people’s homes regardless of where they are coming from.</td>
</tr>
<tr>
<td><strong>Saskatchewan</strong></td>
<td>Saskatchewan has implemented a Re-Opening Roadmap based on a Three-Step Plan that will move forward as province reaches vaccination targets. Step 1 of the Re-Opening Roadmap is now in effect.</td>
<td>Dine-in can open for all restaurants and licensed establishments with sufficient distancing measures and a maximum of 6 people per table; establishments are required to capture the contract information of patrons. Liquor sales in all restaurants and licensed establishments must stop at 10pm.</td>
<td>One-on-one in-person gatherings with those who reside together, or if limited to those who sit at the same table; those who remain on premises after being served must be seated.</td>
<td>All businesses and enterprises are permitted to operate with adherence to the Re-Open Saskatchewan Plan. Retail services must limit capacity to 50% and large retail locations must limit capacity to 25%. Capacity is restricted to 30 people at all arenas, live theatres, movie theatres and performing arts venues. Casinos and bingo halls must close. Nightclubs must adhere to a maximum of 6 people per table, with no alcohol sales after 10pm; entertainment transportation services (e.g., limousines and party buses) are not permitted. Most parks and outdoor spaces are open. It is recommended to check with the facility or tourism operator directly to confirm its status.</td>
