COVID-19 Impact and Recovery Report: Travel-Related Measures

Updated: July 14, 2021

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

1. Travel-Related Measures: A summary of the travel and tourism-related measures in place in each province and territory. A map outlining the current travel restrictions and self-isolation requirements is available on Destination Canada’s website: https://caen-keepexploring.canada.travel/canada-nice#canadamap

2. Methodological Notes: An explanation of the methodologies in the different sections and relevant sources.

1. TRAVEL-RELATED MEASURES

In addition to federal government testing procedures and potential isolation requirements for those who are eligible to enter Canada, individual provinces and territories have implemented measures on travel between provinces and territories. The below table outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders. Tracking these measures is challenging given the fluid nature of COVID-19. This information was collected by provincial and territorial tourism marketing authorities and relevant tourism departments and current as of July 14, 2021.

## Travel Measures

### British Columbia

2, 3

No self-isolation for domestic travellers entering British Columbia. No travel restrictions for domestic travellers entering British Columbia. Some Indigenous communities in BC are not welcoming visitors at this time. Indigenous Tourism BC has a list of Indigenous experiences in the province that are currently open and welcoming visitors.

### Alberta

No self-isolation for domestic travellers entering Alberta. No travel restrictions for domestic travellers entering Alberta.

### Saskatchewan

No self-isolation for domestic travellers entering Saskatchewan. No travel restrictions for domestic travellers entering Saskatchewan.

### Manitoba

14-day self-isolation required for all domestic travellers entering Manitoba, except for people who are fully vaccinated, essential workers and specific exceptions. No travel restrictions for domestic travellers entering Manitoba but people not fully vaccinated will need to self-isolate upon entering. Travel to and from northern Manitoba is restricted and non-essential travel is discouraged, unless travellers are fully vaccinated.

### Ontario

14-day self-isolation strongly advised for all travellers entering Ontario. No travel restrictions for domestic travellers entering Ontario. Based on community needs, some municipalities and local medical officers of health have exercised their authority to implement more restrictions or requirements; it is advised to check status before travelling.

### Quebec

No self-isolation required for domestic travellers entering Quebec. No travel restrictions for domestic travellers entering Quebec.

### New Brunswick

Residents of Atlantic Canada (Nova Scotia, New Brunswick, Prince Edward Island and Newfoundland and Labrador) plus Avignon and Témiscouata counties in Quebec are not required to self-isolate upon entering New Brunswick; cross-border commuters and truck drivers are no longer required to self-isolate. Canadian travellers with at least 1 dose of vaccine are not required to self-isolate. Canadian travellers without a vaccine must self-isolate upon entering New Brunswick, with testing on day 5-7 and release with a negative test. No travel restrictions for domestic travellers entering New Brunswick. Travel registration is required for travellers residing outside of Atlantic Canada.

Related Measures:

A map outlining the current travel restrictions and self-isolation requirements is available on the Destination Canada website: https://caen-keepexploring.canada.travel/canada-nice#canadamap.

A summary of the related measures in place in each province and territory can be found on the Destination Canada website.

Impact and Recovery Report:

An explanation of the methodologies in the different sections and relevant tourism marketing authorities and relevant tourism departments and current as of July 14, 2021.
<table>
<thead>
<tr>
<th>Territorial jurisdiction</th>
<th>Travel requirements and restrictions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Nova Scotia ⁷, ⁸</td>
<td>As of June 30, there are no self-isolation requirements for travellers from Prince Edward Island, Newfoundland and Labrador and New Brunswick. Travellers from other Canadian provinces and territories follow self-isolation protocol dependent on vaccine status: 2 doses at least 14 days before arrival = no self-isolation; 1 dose at least 14 days before arrival = 7 day self-isolation and 2 negative tests; no vaccine = 14-day self-isolation.</td>
</tr>
<tr>
<td>Prince Edward Island ²</td>
<td>As of June 27, partially or fully vaccinated people travelling to Prince Edward Island from within Atlantic Canada or the Magdalen Islands and who have a PEI Pass will not have to isolate, subject to rapid testing at point of entry. Vaccinated PEI residents will be able to travel within Atlantic Canada and not have to self-isolate when they return to PEI, subject to testing. Unvaccinated visitors from Atlantic Canada and unvaccinated residents will be required to complete a declaration and isolate for 8 days, with testing at point of entry and on day 8. It is important to note, you must have received your vaccine at least 21 days prior to arrival on PEI. Currently, there is an 8-day self-isolation for all admitted travellers entering Prince Edward Island from outside of Atlantic Canada. As of July 18, fully vaccinated people travelling to Prince Edward Island from within Canada, but outside of Atlantic Canada, and who have a PEI Pass will not have to isolate, subject to rapid testing at point of entry. Vaccinated PEI residents will be able to travel within Canada and not have to self-isolate upon return to PEI, subject to testing. Unvaccinated residents and visitors from within Canada will be required to complete a declaration and isolate for 8 days, with testing at point of entry and on day 8.</td>
</tr>
<tr>
<td>Newfoundland and Labrador ¹⁰</td>
<td>As of June 23, permanent residents of Atlantic Canada who have not travelled beyond Atlantic Canada in the last 14 days are not required to self-isolate regardless of vaccination status. As of July 1, fully vaccinated Canadians residents have no testing or self-isolation requirements. Partially vaccinated Canadians must present a negative test result administered within 72 hours of arrival, or self-isolate following arrival until receipt of a negative test result. Unvaccinated Canadians must self-isolate for 14 days. Mixed groups of vaccinated and unvaccinated adult travellers must follow the rules for unvaccinated travellers.</td>
</tr>
<tr>
<td>Yukon ¹¹, ¹², ¹³</td>
<td>Travellers who are fully vaccinated with a Health Canada-approved vaccine may enter Yukon without self-isolation, providing their vaccination status can be confirmed. Children under 12 will not have to self-isolate if travelling with a fully vaccinated parent or caregiver. Mandatory 14-day self-isolation for all travellers who are not fully vaccinated entering Yukon with few exceptions; self-isolation must occur in Whitehorse unless visiting a family member in which case self-isolation may occur at that residence). Yukon has no travel restrictions, but people not fully vaccinated will need to self-isolate if entering the territory. There is enforcement at land borders and airport, as well as mandatory travel routes for transiting through Yukon. Several First Nations governments and communities currently have travel advisories in place. Travellers are asked to travel responsibly and follow the Safe 6, plus 1.</td>
</tr>
<tr>
<td>Northwest Territories ¹⁴, ¹⁵</td>
<td>As of June 22, no self-isolation required for fully vaccinated admitted travellers into the Northwest Territories (residents, non-resident essential workers or travellers with an exemption). Fully vaccinated travellers going to communities other than Yellowknife, Inuvik, Fort Smith, Hay River, Fort Simpson and Norman Wells require a COVID-19 test on days 1 and day 14. Mandatory 8-day self-isolation for partially vaccinated admitted travellers, with a COVID-19 test on day 8. Mandatory 10-day self-isolation for unvaccinated admitted travellers, including children under 12 and household members who did not travel, with a COVID-19 test on day 10. Leisure travel into the Northwest Territories by non-residents is not permitted. Exemptions are considered for compassionate reasons, family reunification, exceptional circumstances, travel from Nunavut or Yukon, and remote tourism with tourism operators with plans approved by ProtectNWT.</td>
</tr>
<tr>
<td>Nunavut ¹⁶</td>
<td>No self-isolation is required for admitted travellers who are fully vaccinated, with proof of vaccination. Mandatory 14-day self-isolation for all travellers returning to their home communities from Iqaluit, except for fully vaccinated travellers. Mandatory 14-day self-isolation for all admitted travellers prior to boarding a plane to Nunavut, except for those travelling directly from Churchill, Manitoba and Northwest Territories; mandatory isolation must occur in government designated sites in Edmonton, Winnipeg, Ottawa or Yellowknife. Common travel area with Churchill, Manitoba and Northwest Territories; prohibition on all other travel into Nunavut, except residents and critical workers who require written permission from the territory’s Chief Public Health Officer to enter. Non-essential travel within Nunavut is not recommended.</td>

Legend: No measures in place | Some form of measures in place |
Most Parks Canada places will be open and welcoming visitors with adjustments to access and services. Access to visitor facilities and services may be limited. Please consult the Parks Canada website for an updated list of specific Parks Canada locations with special instructions: [https://www.pc.gc.ca/en/voyage-travel/travel-related-measures](https://www.pc.gc.ca/en/voyage-travel/travel-related-measures)

Most provinces and territories have implemented a framework to guide re-opening strategies catered to their individual circumstances. Since each province and territory is starting from a different baseline to implement the reopening of their local economy, the phases and stages are not congruent across jurisdictions. The table below outlines the current status of restrictions on tourism-related sectors as of July 14, 2021. Unless noted, persons must gather and business must operate with sufficient social distancing measures in place. Many destinations require non-medical masks to be worn and all visitors should plan on having masks ready if needed.

</tr>
<tr>
<td>As of July 1, BC is in Step 3 of its 4-step Reboot Plan. Restrictions on tourism related facilities and services may be limited. Also, many destinations require non-medical masks to be worn and all visitors should plan on having masks ready if needed.</td>
<td>As of July 1, Alberta is in Stage 3 of Alberta’s Open for Summer Plan Roadmap. All public health restrictions have been lifted, with masking still required in healthcare settings and on public transit.</td>
<td>As of July 11, all public health measures have been lifted for indoor and outdoor gatherings.</td>
<td>As of July 17, Manitoba is in Milestone 2 of the F-3-2-1 Great Summer Reopening Path.</td>
</tr>
<tr>
<td>Accommodations are open unless they have decided to close due to lack of demand/low occupancy concerns.</td>
<td>As of July 1, hotels, motels, hunting and fishing lodges can resume regular operations.</td>
<td>All public health orders are lifted, including the removal of the province-wide mandatory masking order.</td>
<td>As of July 17, restaurants and bars can open for indoor and outdoor dining at maximum 50% capacity. For indoor dining, patrons seated together must be from the same household unless everyone aged 12+ at the table is fully immunized, in which case people from different households may dine together. For outdoor dining, a maximum of 8 people from different households can be seated at one table regardless of immunization status.</td>
</tr>
<tr>
<td>As of July 1, all restaurants, cafes, pubs, breweries and nightclubs can resume regular operations with the exceptions of no socializing between tables and no dancing.</td>
<td>As of July 1, all restaurants and other licenced establishments can resume regular operations.</td>
<td>All public health restrictions have been lifted, with masking still required in healthcare settings and on public transit.</td>
<td>As of July 17, retail operations can open to maximum 50% capacity or 500 people, whichever is less. All museums, galleries, casinos, movie theatres and concert halls can open to maximum 50% capacity for fully immunized people only. Indoor recreation activities can reopen to maximum 50% capacity. Outdoor recreation activities can open for groups up to 50 people.</td>
</tr>
<tr>
<td>As of July 1, businesses are beginning their transition from a COVID-19 Safety Plan to a communicable disease plan. Some safety measures will remain, like physical barriers. Casinos are open at reduced capacity. It is recommended to check with the facility or tourism operator directly to confirm its status. Most parks, beaches and outdoor spaces are open.</td>
<td>As of July 1, all retail businesses, plus entertainment businesses and events, including casinos, cinemas, theatres, museums and galleries, can resume regular operations.</td>
<td>As of June 23, free day-use passes are required to visit Garibaldi, Golden Ears, Joffre Lakes, Mount Robson and Stawamus Chief provincial parks. Provincial park campground reservations open two months in advance at the time of booking. Group camping sites have returned to normal occupancy levels.</td>
<td>As of July 17, retail operations can open to maximum 50% capacity or 500 people, whichever is less. All museums, galleries, casinos, movie theatres and concert halls can open to maximum 50% capacity for fully immunized people only. Indoor recreation activities can reopen to maximum 50% capacity. Outdoor recreation activities can open for groups up to 50 people.</td>
</tr>
<tr>
<td>Outdoor spaces and parks are open.</td>
<td>As of July 1, all public health measures have been lifted for indoor and outdoor personal gatherings. Indoor organized gatherings can have 50 people or 50% capacity, whichever is greater. Outdoor organized gatherings can have 5,000 people or 50% capacity, whichever is greater. Fairs, festivals and trade shows return to regular operations with a communicable disease plan in place.</td>
<td>As of July 1, all public health measures have been lifted for private and public gatherings.</td>
<td>As of July 17, all public health measures are lifted for indoor and outdoor gatherings. Large scale outdoor professional sports or performing arts events can operate at full capacity for fully vaccinated people only.</td>

<td>As of July 1, restaurants can open for in-person dining to maximum 75% capacity with physical distancing between patrons seated at adjacent tables. Bars and lounges can open to maximum 75% capacity with physical distancing in place. Self-serve buffets in all licenced establishments are prohibited.</td>
<td>As of July 1, retail stores and bars with sufficient distancing measures; movie theatres are limited to 50 people; 3 additional groups of 50 are permitted with an approved operational plan.</td>
<td>As of July 1, informal indoor gatherings are limited to a household’s Steady 20. Private outdoor gatherings can have up to 50 people. Formal gatherings of maximum 75% capacity or 200 people indoors (whichever is less), and 250 people outdoors are permitted with physical distancing in place and provided the gathering is operated by a recognized business or organization. Large venues with a capacity of 500 people or more, including theatres and performing arts, entertainment and sports venues, may operate at a capacity higher than 200 where an operating plan has been approved by an Environmental Health Officer with Digital Government and Service NL. As of June 30, private indoor or outdoor social gatherings can have up to 6 people. Organized indoor gatherings can have up to 20 people with mask use and physical distancing. Organized outdoor gatherings can have up to 100 people with physical distancing. Organized events such as conferences and trade shows can have up to 200 people with physical distancing and an approved operational plan.</td>

<tr>
<td>Yukon</td>
<td>34, 35, 36, 37</td>
<td>Yukon is in the “Next phase” of A Path Forward: Ready Stops, the territory’s reopening plan.</td>
<td>Accommodations are open with enhanced cleaning and public health measures unless they have decided to close due to lack of demand/low occupancy/health concerns.</td>
<td>Restaurants and bars can operate at full capacity for dine-in with up to 6 people seated per table and an approved operational plan.</td>
<td>All businesses and enterprises can operate with adherence to health measures and with completed operational plans where required. Most parks and outdoor spaces are open. While territorial campgrounds and recreation sites have opened for the season, some are unserviced due to site conditions. It is recommended to check with the facility, tourism operator or Yukon Parks directly to confirm its status.</td>

2. METHODOLOGICAL NOTES

I. Travel-Related Measures: In conjunction with provincial and territorial partners, Destination Canada has sourced information directly from provincial and territorial government websites; additional insights are provided by provincial and territorial partners where relevant or where information from official sources is incomplete. The intention for this section is to provide the latest available information as of the date of the report. Given the evolving nature of these measures and phased opening strategies, readers are encouraged to seek information from official government sources for the most current information.
