COVID-19 Impact and Recovery Report: Travel-Related Measures
Updated: November 17, 2021

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

1. Travel-Related Measures: A summary of the travel and tourism-related measures in place in each province and territory. Current travel restrictions and self-isolation requirements are also available on Destination Canada's website: [https://caen-keepexploring.canada.travel/covid-19-traveller-guidance](https://caen-keepexploring.canada.travel/covid-19-traveller-guidance)

2. Methodological Notes: An explanation of the methodologies in the different sections and relevant sources.

---

### 1. TRAVEL-RELATED MEASURES

As of October 30, travellers aged 12 years and older are required to show their Canadian COVID-19 proof of vaccination to depart from Canadian airports, on VIA Rail and Rocky Mountaineer trains, and on non-essential passenger vessels (e.g. cruise ships) on voyages of 24 hours or more departing from ports in Canada. To qualify as fully vaccinated, travellers must have received the full series of an accepted COVID-19 vaccine (or a full series of a combination of accepted vaccines), with the last dose at least 14 full days prior to the date of travel. For those in the process of being vaccinated, there will be a short transition period where they will be able to travel if they can show a valid COVID-19 molecular test within 72 hours of travel. As of November 30, all travellers aged 12 years and older must be fully vaccinated, with very limited exceptions. Please consult the Government of Canada website for the latest federal travel requirements: [https://travel.gc.ca/travel](https://travel.gc.ca/travel).

In addition to federal government travel requirements, individual provinces and territories have implemented measures on travel between provinces and territories. The table below outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders.

Tracking these measures is challenging given the fluid nature of COVID-19. This information, collected by provincial and territorial tourism marketing authorities and relevant tourism departments, is current as of November 17, 2021.

#### Travel Measures

<table>
<thead>
<tr>
<th>Province</th>
<th>Traveller self-isolation required?</th>
<th>Travel restrictions?</th>
</tr>
</thead>
<tbody>
<tr>
<td>British Columbia</td>
<td>No self-isolation or proof of vaccination for domestic travellers entering British Columbia.</td>
<td>No travel restrictions for domestic travellers entering British Columbia. Some Indigenous communities in BC are not welcoming visitors at this time. Indigenous Tourism BC has a list of Indigenous experiences in the province that are currently open and welcoming visitors.</td>
</tr>
<tr>
<td>Alberta</td>
<td>No self-isolation upon entering Alberta for fully vaccinated domestic travellers provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Alberta, but must follow strict public health measures that include avoiding crowded settings.</td>
<td>Fully vaccinated foreign nationals can travel to British Columbia provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
</tr>
<tr>
<td>Saskatchewan</td>
<td>No self-isolation upon entering Saskatchewan for fully vaccinated domestic travellers provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Saskatchewan, but must follow strict public health measures that include avoiding crowded settings.</td>
<td>No travel restrictions for domestic travellers entering Saskatchewan. Fully vaccinated foreign nationals can travel to Saskatchewan provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
</tr>
<tr>
<td>Manitoba</td>
<td>No self-isolation upon entering Manitoba for fully vaccinated domestic travellers. Partially vaccinated or unvaccinated domestic travellers must complete a 14-day self-isolation. Unvaccinated children under 12 years of age of fully vaccinated domestic travellers are exempt from self-isolation.</td>
<td>No travel restrictions for fully vaccinated domestic travellers entering Manitoba. Partially vaccinated or unvaccinated domestic travellers are required to self-isolate. Travel to and from northern Manitoba is restricted, with exceptions for those who are fully vaccinated, those who are travelling directly to cottages, provincial parks, campgrounds or hunting and fishing lodges, and other specific exceptions. Fully vaccinated foreign nationals can travel to Manitoba provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
</tr>
<tr>
<td>Ontario</td>
<td>No self-isolation or proof of vaccination required for domestic travellers entering Ontario.</td>
<td>No travel restrictions for domestic travellers entering Ontario. Fully vaccinated foreign nationals can travel to Ontario provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
</tr>
<tr>
<td>Province</td>
<td>Travel restrictions?</td>
<td>Traveller self-isolation required?</td>
</tr>
<tr>
<td>----------</td>
<td>----------------------</td>
<td>-----------------------------------</td>
</tr>
<tr>
<td>Quebec</td>
<td>Travel to and from circuit breaker regions is restricted to those who must travel for essential reasons or to events where proof of full vaccination is required. The regions include: Zone 1 (Moncton region) only the municipalities of Moncton, Riverview and Dieppe; Zone 7 (Miramichi Region) except Black River Bridge and communities to the east, Murray Settlement and areas south, and New Jersey and communities north.</td>
<td>No self-isolation or proof of vaccination required for domestic travellers entering Quebec.</td>
</tr>
<tr>
<td>New Brunswick</td>
<td>All Canadian residents entering New Brunswick, including New Brunswick residents re-entering the province, must pre-register, with restrictions for those who do not have a PEI Pass or are not fully vaccinated. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering New Brunswick, but must follow strict public health measures that include avoiding crowded settings.</td>
<td>No self isolation upon entering Quebec for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Quebec, but must follow strict public health measures that include avoiding crowded settings.</td>
</tr>
<tr>
<td>Nova Scotia</td>
<td>Residents of Prince Edward Island are advised to avoid non-essential out-of-province travel. All Canadian residents can travel to Prince Edward Island with restrictions for those who do not have a PEI Pass. A PEI Pass will only be issued to individuals who have received their second dose of an approved vaccine at least 14 days prior. Unvaccinated foreign nationals who have a PEI Pass can travel to Prince Edward Island provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
<td>No self-isolation required for fully vaccinated domestic travellers entering New Brunswick. Unvaccinated or partially vaccinated domestic travellers, including New Brunswick residents, are required to self-isolate for 14 days, or until receiving a negative result from testing on day 10.</td>
</tr>
<tr>
<td>Prince Edward Island</td>
<td>All Canadians are permitted to enter Newfoundland and Labrador. All travellers can complete the Travel Form up to 30 days prior to their travel date. Unvaccinated foreign nationals who have submitted the Travel Form up to 30 days prior to their travel date can travel to Newfoundland and Labrador provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
<td>All travellers over the age of 8 entering Prince Edward Island, regardless of vaccination status, will be tested at point of entry. Unvaccinated or partially vaccinated children under 12 years of age are asked to get tested twice, on day 4 and on day 8.</td>
</tr>
<tr>
<td>Newfoundland and Labrador</td>
<td>No travel restrictions for domestic travellers entering Nova Scotia from all provinces and territories, but they must continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
<td>Domestic travellers entering Nova Scotia from all provinces and territories must follow self-isolation protocol dependent on vaccination status: 2 doses at least 14 days before arrival = no self-isolation; 1 or 0 doses + 7-day self-isolation and 2 negative tests. Children under 12 travelling domestically are required to follow same isolation protocol as the least vaccinated adult they are travelling with.</td>
</tr>
<tr>
<td>Yukon</td>
<td>Fully vaccinated foreign nationals can travel to Yukon provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
<td>No self-isolation upon entering Yukon for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Yukon, but must follow strict public health measures that include avoiding crowded settings.</td>
</tr>

The Government of Canada has specific guidelines for driving to or from Alaska through Canada. Read the State of Alaska’s health guidance for travellers during the COVID-19 pandemic.
<table>
<thead>
<tr>
<th>Northwest Territories</th>
<th>Nunavut</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Traveler self-isolation required?</strong></td>
<td><strong>Travel restrictions?</strong></td>
</tr>
<tr>
<td>No self-isolation required for fully vaccinated travellers admitted into the Northwest Territories (residents, non-resident essential workers or travellers with an exemption). Fully vaccinated travellers going to communities other than Yellowknife, Inuvik, Fort Smith, Hay River, Fort Simpson and Norman Wells require a COVID-19 test on days 1 and 14. Mandatory 8-day self-isolation for partially vaccinated admitted travellers with a COVID-19 test on day 8. Mandatory 10-day self-isolation for unvaccinated admitted travellers, including children under 12 and household members who did not travel, with a COVID-19 test on day 10. All travellers entering the Northwest Territories must file a self-isolation plan, regardless of vaccination status. To fill out a self-isolation plan and find further information about NWT travel restrictions, visit the Government of the Northwest Territories website.</td>
<td>Leisure travel into the Northwest Territories by non-residents is currently not permitted. Exemptions are considered for compassionate reasons, family reunification, exceptional circumstances, travel from Nunavut, and remote tourism with tourism operators with plans approved by the Chief Public Health Officer. <strong>Fully vaccinated</strong> foreign nationals may be authorized to travel to the Northwest Territories only to participate in remote tourism with an approved remote tourism operator provided that they meet specific entry and testing requirements. Fully vaccinated foreign nationals must have an exemption from the Northwest Territories Chief Public Health Officer; exemption requests will be assessed on a case-by-case basis. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
</tr>
<tr>
<td>No self-isolation upon entering the Northwest Territories for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements and who are admitted to enter the Northwest Territories. Unvaccinated children (and those travelling with them) will not be able to forgo the mandatory 10-day isolation requirement. All travellers entering the Northwest Territories must file a self-isolation plan, regardless of vaccination status. To fill out a self-isolation plan and find further information about NWT travel restrictions, visit the Government of the Northwest Territories website.</td>
<td></td>
</tr>
<tr>
<td>No isolation required for travellers admitted to enter Nunavut who are fully vaccinated and who have received an exemption after completing the Traveller’s Declaration Form. Mandatory 14-day isolation for all other admitted travellers prior to boarding a plane to Nunavut except those travelling directly from Churchill, Manitoba. Mandatory isolation must occur in government-designated sites in Edmonton, Winnipeg, Ottawa or Yellowknife. Unvaccinated children travelling with fully vaccinated parents or guardians can self-isolate for 14 days in Nunavut rather than at a government-designated site outside of the territory.</td>
<td>As of November 15, Nunavut has reopened the Common Travel Area with Churchill, Manitoba. As of October 29, Nunavut has suspended the Common Travel Area with Nunavik. Entry into Nunavut requires authorization from the territory’s Chief Public Health Officer. Authorization may be granted for: residents, critical workers, those travelling within the Common Travel Area of Churchill, Manitoba, and non-residents entering for family reunification, exercising Aboriginal or treaty rights, or engaging in wilderness tourism with an operator that has an approved Wilderness Tourism Operator COVID-19 Operations Plan. <strong>Fully vaccinated</strong> foreign nationals may be authorized to travel to Nunavut provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</td>
</tr>
<tr>
<td>No self-isolation upon entering Nunavut for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements and are admitted to enter Nunavut. Unvaccinated children will not be able to forgo the mandatory 14-day self-isolation requirement.</td>

Alberta

Current Phase/Stage | Hotels & Accommodation | Restaurants & Dining | Activities & Attractions | Large Gatherings/Conferences
--- | --- | --- | --- | ---
As of October 26, people aged 12 and older are required to show proof of full vaccination (with the second dose received at least 2 weeks earlier) or a negatively tested COVID-19 test within 72 hours to access non-essential businesses and events that implement the Restrictions Exemption Program. Businesses that do not implement this program have additional restrictions. Accommodations are mandatory in all indoor public spaces and on public transit. Masks are mandatory. All licensed establishments, including restaurants, bars and nightclubs that implement the Restrictions Exemption Program can resume regular operations. To access, people are required to show proof of full vaccination or a negatively tested COVID-19 test taken within 72 hours or a medical exemption. For establishments that do not implement the Restrictions Exemption Program, indoor dining is not permitted. Outdoor dining will be permitted for 1 household with up to 6 people per table or 2 close contacts for those living alone. Liquor sales must end at 10pm and consumption by 11pm. Business and entities that do not implement the Restrictions Exemption Program are limited to 33% maximum capacity and must be with household members only or 2 close contacts if they live alone. Full retail operations can resume. There are no limits on gatherings at private residences. Retail businesses are exempt from the Restrictions Exemption Program. However, capacity is limited to 33% maximum capacity and people must be with household members only or 2 close contacts if they live alone. All entertainment businesses and entities, including casinos, cinemas, theatres, museums and galleries that implement the Restrictions Exemption Program can resume regular operations. To access, people are required to show proof of full vaccination or a negatively tested COVID-19 test taken within 72 hours or a medical exemption. All vaccinated people aged 12 and older must show proof of vaccination to attend events and activities with a fully immunized adult. All events and facilities that are restricted but people must maintain 2 metre physical distancing between households or 2 close contacts for those living alone. Outdoor private gatherings: Outdoor private social gatherings can have maximum 20 people with 2 metres physical distancing at all times. Outdoor public gatherings: Events and facilities that are fully outdoors (excluding washrooms) have no capacity restrictions but people must maintain 2 metre physical distancing at all times. There are no limits on gatherings at private residences. Fully vaccinated people: Indoor private social gatherings are limited to 2 households to maximum 10 fully vaccinated people aged 12 and older. There are no restrictions on children under 12.

Unvaccinated people: Indoor social gatherings are not permitted for people aged 12 and older who are unvaccinated.

Outdoor private gatherings: Outdoor private social gatherings can have maximum 20 people with 2 metres physical distancing at all times. Outdoor public gatherings: Events and facilities that are fully outdoors (excluding washrooms) have no capacity restrictions but people must maintain 2 metre physical distancing between households or 2 close contacts for those living alone.

Saskatchewan

Current Phase/Stage | Hotels & Accommodation | Restaurants & Dining | Activities & Attractions | Large Gatherings/Conferences
--- | --- | --- | --- | ---
Saskatchewan is in Step 3 of the Re-Opening Roadmap. Proof of full vaccination or a negatively tested COVID-19 test taken within 72 hours is required. Masks are mandatory throughout Saskatchewan in indoor public spaces. All regions in Manitoba are in the orange restricted response level. Masks are mandatory throughout Manitoba in indoor public spaces and on public transit for anyone aged 5 and older. Accommodations are open with control/safety measures in place. People aged 12 and older must show proof of vaccination for indoor and outdoor dining at all restaurants, bars and other licensed establishments. Proof of vaccination is required for dine-in at food courts. All retail operations can resume regular operations. People aged 12 and older must show proof of vaccination to attend movies, theatres, casinos, recreational facilities, indoor and outdoor ticked sporting events, performing arts events and concerts. Children aged 11 and under will be able to attend events and activities with a fully immunized adult. Proof of vaccination is also required to attend museums and galleries. There are no limits on indoor and outdoor gatherings at private residences for fully vaccinated people aged 12 and older as well as children under the age of 12.

If any unvaccinated or partially vaccinated people are present, indoor gatherings at private residences are limited to members of 1 household; outdoor gatherings can have up to 10 people. There are no limits on public indoor gatherings for fully vaccinated people aged 12 and older as well as children under the age of 12. If any unvaccinated or partially vaccinated people are present, indoor public gatherings can have up to 25 people or 25% capacity, whichever is lower. Outdoor public spaces, including bars and festivals, can have up to 50 people unless higher attendance is approved by public health officials.

New Brunswick 32, 33, 34

As of November 2, a circuit breaker is in place for Zone 1 (Moncton region) only the municipalities of Moncton, Riverview and Dieppe; Zone 7 (Miramichi Region) except Black River Bridge and communities to the east, Murray Settlement and areas south, and New Brunswick communities north.

Proof of full vaccination along with government-issued ID is required for people aged 12 and older to access indoor and outdoor dining, retail establishments and bars, other food and drink establishments and nightclubs.

Accommodations can resume regular operations.

Proof of full vaccination along with government-issued ID is required for people aged 12 and older to access indoor performing arts and sports events, festivals, recreational facilities, casinos, concerts, cinemas and theatres. See the full list here.

Nova Scotia 35

Nova Scotia is in Phase 6 of its reopening plan. Proof of full vaccination (2 doses + 14 days) is required for people aged 12 and older to participate in most events and activities that bring groups of people together, including cinemas, theatres and sports stadiums; bus, boat, and walking tours; and museums and art galleries. See the full list here.

Retail businesses, museums, and recreation and leisure facilities can operate at full capacity. Proof of vaccination is not required for retail stores.

Note that some businesses not subject to proof of full vaccination may introduce their own vaccination requirements for customers.

Nova Scotia is in Phase 5 of its reopening plan. Proof of full vaccination is required for people aged 12 and older to access full service at restaurants, food establishments and other licensed establishments, both indoors and outdoors.

Restaurants and licensed establishments can operate indoor and outdoor seated service at full capacity.

Proof of vaccination is not required for take-out and drive-through.

Accommodations are open with controllability measures in place. Both provincial and private campgrounds may open. While accommodations are not subject to proof of full vaccination, some businesses may introduce their own vaccination requirements for guests.

Proof of full vaccination is not required for restaurants or organization. See the list of where the PEI Vax Pass is and is not required.

The PEI Vax Pass policy is in effect. People aged 12 and older must show proof of full vaccination (2 doses + 14 days) along with photo ID to access certain businesses and settings. See the list of where the PEI Vax Pass is and is not required.

Accommodations are open with controllability measures in place.

Proof of full vaccination (2 doses + 14 days) is required for people aged 12 and older to participate in some events and activities, including concerts, cinemas, theatres, casinos, sporting events and entertainment facilities.

Proof of vaccination is not required for retail stores, museums and galleries, which must operate with sufficient distancing measures in place. See the list of where the PEI Vax Pass is and is not required.

Prince Edward Island 36, 37, 38

Prince Edward Island is in Phase 5 of its 5-step provincial reopening plan, Moving Forward 2021.

The PEI Vax Pass is in effect. People aged 12 and older must show proof of full vaccination (2 doses + 14 days) along with photo ID to access certain businesses and settings. See the list of where the PEI Vax Pass is and is not required.

Accommodations are open with controllability measures in place.

Proof of full vaccination (2 doses + 14 days) is required for people aged 12 and older to access indoor dining in restaurants, cafes, bars and other licenced establishments, both indoors and outdoors. Maximum seating capacity is 100 people inside and 200 people outside.

Maximum seating capacity is 100 people inside and 200 people outside.

Proof of vaccination is not required for take-out and drive-through.

Proof of full vaccination (2 doses + 14 days) is required for people aged 12 and older to attend organized gatherings, such as conferences and trade fairs. As of November 2, the formation of cohorts of attendees is no longer required at these events.

Accommodations are open with controllability measures in place.

Proof of full vaccination (2 doses + 14 days) is required for people aged 12 and older to access indoor or outdoor dining and retail establishments and bars, other food and drink establishments and nightclubs.

Proof of full vaccination along with government-issued ID is required for people aged 12 and older to access certain businesses and settings. See the full list here.

Proof of full vaccination along with government-issued ID is required for people aged 12 and older to access indoor performing arts and sports events, festivals, recreational facilities, casinos, concerts, cinemas and theatres. See the full list here.

Physical distancing and gathering limits are lifted for formal gatherings hosted by a recognized business. Proof of full vaccination is required for people aged 12 and older to participate in most indoor and outdoor public events and activities that bring groups of people together, including gatherings, special events, concerts, and conferences and conventions. See the full list here.

Proof of vaccination is not required for business meetings/events where the general public is not present, or for outdoor events held in public spaces with no specific entry point, such as street festivals.

Informal social gathering limits remain in place: up to 25 people indoors and 50 people outdoors.

Large Gatherings/Conferences

Circuit breaker regions – Zone 1 (Moncton region) only the municipalities of Moncton, Riverview and Dieppe; Zone 7 (Miramichi Region) except Black River Bridge and communities to the east, Murray Settlement and areas south, and New Jersey and communities north.

No private indoor or outdoor gatherings are permitted; people must limit contacts to hosted by a recognized business. See the full list here.

Rest of province: Indoor private gatherings are limited to a household plus 20 consistent contacts. Outdoor private gatherings have no capacity limits as long as physical distancing is in place.

Proof of full vaccination along with government-issued photo ID is required for people aged 12 and older to attend indoor organized gatherings, such as banquet halls and conference/convention centres. See the full list here.

Proof of full vaccination along with government-issued photo ID is required for people aged 12 and older to access indoor or outdoor events held in public spaces with no specific entry point, such as street festivals.
As of October 22, proof of full vaccination via the NLVaxPass and valid ID will be required for people aged 12 and older to access certain businesses and settings. People aged 19 and older must present one photo ID or two pieces of non-photo ID (both must include their name and at least one must have their date of birth). See a list here.

Newfoundland and Labrador is at Step 3 of its 3-step provincial reopening plan. Together for Health.

Masks are mandatory in indoor public spaces and on public transit throughout Newfoundland and Labrador for anyone aged 5 and older.

As of October 13, proof of full vaccination via the NLVaxPass and valid ID is required for people aged 12 and older to access indoor seating at restaurants, cafés, bars and other licenced establishments. People aged 19 and older must present one photo ID or two pieces of non-photo ID (both must include their name and at least one must have their date of birth).

Proof of vaccination will not be required for outdoor patios, take-out and drive-through.

All restaurants and licenced establishments can resume regular operations with the exception of self-serve buffets (prohibited) as long as physical distancing can be maintained.

As of November 13, proof of full vaccination via the NLVaxPass and valid ID is required for people aged 12 and older to access all non-essential services.

Most businesses and enterprises are open and operating under the Public Health Protection Order. It is recommended to check with a business, facility or tourism operator directly to confirm its status.

Cultural and sports events can have maximum 50% capacity or 25 people, whichever is lower. Seating is limited to simple households with 2 metres physical distancing between household members.

As of September 22, proof of full vaccination via the NLVaxPass and valid ID will be required for people aged 12 and older to attend any gathering hosted at a recognized business or organization, or other venue used to host gatherings. People aged 19 and older must present one photo ID or two pieces of non-photo ID (both must include their name and at least one must have their date of birth).

Informal private indoor gatherings can have the number of people who can fit into the space with physical distancing.

Gatherings where there is no eating or drinking:
The venues of indoor and outdoor gatherings can operate at maximum capacity without physical distancing between attendees while seated or standing provided that eating and drinking are not permitted in the venue: names and contact information of all individuals in attendance are collected and retained for 14 days; physical distancing of 2 metres between attendees is maintained in common areas; and the gathering is held by a recognized business or organization.

Gatherings where there is eating or drinking:
The venues of indoor and outdoor gatherings can operate at maximum capacity without physical distancing between attendees provided that: eating and drinking only occur in the seating areas; attendees are separated into groups of no more than 200 people in one distinct seating area with 2-metre physical distancing maintained between groups in the seating areas; names and contact information of all individuals in attendance is collected and retained for 14 days; physical distancing of 2 metres between attendees is maintained in common areas; and that the gathering is held by a recognized business or organization.

Yukon is guided by - Yukon's Continuing Response to COVID-19.

Yukon is at Step 2 of its 3-step reopening plan. Together for Health.

As of October 22:
- Proof of full vaccination via the NLVaxPass and valid ID will be required for people aged 12 and older to access indoor dining at restaurants, cafés, bars, and other licensed establishments.
- People aged 19 and older must present one photo ID or two pieces of non-photo ID (both must include their name and at least one must have their date of birth).

Proof of vaccination will not be required for outdoor patios, take-out and drive-through.

As of November 13:
- People aged 12 and older must present one photo ID or two pieces of non-photo ID (both must include their name and at least one must have their date of birth).
-Proof of vaccination will not be required for outdoor patios, take-out and drive-through.

All restaurants and licenced establishments can resume regular operations with the exception of self-serve buffets (prohibited) as long as physical distancing can be maintained.

Northwest Territories is in the Indoor Gatherings phase of its reopening plan. Daisy's Workshop 2021 - Live by Daisy.

As of October 22, people can request a voluntary Passport of Proof of Proof of Vaccination from the Government of the Northwest Territories.

Masks are mandatory in indoor public spaces. Northwest Territories in indoor public spaces.

As of October 22:
- Proof of full vaccination via the NLVaxPass and valid ID will be required for people aged 12 and older to access indoor dining at restaurants, cafés, bars, and other licensed establishments.
- People aged 19 and older must present one photo ID or two pieces of non-photo ID (both must include their name and at least one must have their date of birth).

Proof of vaccination will not be required for outdoor patios, take-out and drive-through.

As of November 13:
- People aged 12 and older must present one photo ID or two pieces of non-photo ID (both must include their name and at least one must have their date of birth).
-Proof of vaccination will not be required for outdoor patios, take-out and drive-through.

As of November 16 in Tuktoyaktuk:
- Essential businesses and facilities may remain open with maximum 10 people permitted indoors. Non-essential businesses are closed.
- Restaurants, bars and lounges can have up to 25 people outdoors, with 2-metre physical distancing in place. The Chief Public Health Officer must approve numbers higher than this, with one condition that people over the age of 12 show proof of full vaccination to access these places.
- Most parks and outdoor spaces are open. It is recommended to check with the facility or tourism operator directly to confirm its status.

2. METHODOLOGICAL NOTES

I. Travel-Related Measures: In conjunction with provincial and territorial partners, Destination Canada has sourced information directly from provincial and territorial government websites; additional insights are provided by provincial and territorial partners where relevant or where information from public health officials is incomplete. The intention for this section is to provide the latest available information as of the date of the report. Given the evolving nature of these measures and phased opening strategies, readers are encouraged to seek information from official government sources for the most current information.
