
Arrival figures are preliminary estimates and are subject to change.

As Destination Canada focuses on driving international arrivals by air, year-over-year changes are now displayed for air arrivals. More detailed information, including arrivals by other modes of transportation, can be found in the Monthly Snapshot at www.destinationcanada.com/en/monthly-tourism-snapshot.

*Destination Canada reports on overnight arrivals. Numbers may differ to those reported by Statistics Canada, which include same-day arrivals.

AUGUST 2019 overnight arrivals at a glance*

*Destination Canada reports on overnight arrivals. Numbers may differ to those reported by Statistics Canada, which include same-day arrivals.

Arrival figures are preliminary estimates and are subject to change.

**Percentages shown are shifts compared to the same period in the previous year.

†Statistics Canada advises caution when comparing 2019 data with earlier time periods for US arrivals via non-automobile modes of transportation due to methodology changes beginning in January 2019.
